

INTERIOR COLLECTION

For over 30 years, Trimlite has been committed to producing high quality interior and exterior door and glass products. Founded in Vancouver, British Columbia, we operate manufacturing facilities in 4 countries along with distribution locations across North America. Managing one of the largest wood door manufacturing facilities in Western Canada, our team creates beautiful doors to meet your specific requirements.

Our Interior Door Collection is focused on the simple premise of crafting doors for the design needs of our diverse customers. It has something for every architectural space and style.

At Trimlite, Handcrafted Construction meets Modern Design.

PRIVACY GUIDE

Trimlite offers an extensive line of glass options to choose from and the degree of openness or obscurity varies considerably. With each design, we have included a number which represents the “Privacy Level” for that product. Please refer to the guide below. Note: This guide is subjective. It should only be used when comparing Trimlite designs.

SHAKER PANEL AND SHAKER FRENCH DOORS | Primed

Why wait? Our Quick Ship program now allows you to have beautiful handcrafted wood doors when you need them! These doors are factory primed and ready for paint. Let Trimlite help you create an interior look that will be a true reflection of your taste. Now it's your time to choose.

SHAKER PANEL DOORS WITH APPLIED BEADING | **Primed**

Now you can create a different architectural look with any of our "Quick Ship" door styles in either 1-3/8" or 1-3/4". Customize your look by adding one of the following beading profiles:

SPECIFICATIONS

SHAKER PANEL 2-STEP | **Primed**

The newest addition to our product line, our 2-Step Flat Bead profile offers a unique take on a traditional 8401 shaker door.

Our 1-9/16" flat bead steps down from the shaker style door, giving the profile depth and dramatic shadow lines while still maintaining its charm.

Door stiles: 4-7/16"
Bi-fold stiles: 2"
Top rail: 4-5/16"

Cross rails: 4-3/8"
Lock rail: 7-3/8"
Door bottom rail: 9-3/16"
Bi-fold bottom rail: 7-15/16"

Engineered
Stile / Rail

† The panel layout on #8403 will change in the door and bi-fold sizes indicated.

Fire-Rated doors also available. Contact your dealer for more information.

Complete dimensional specifications are available from your dealer.

Our Shaker program also includes a wide selection of stain grade options and panel layouts.

Available options in 1-3/8" and 1-3/4" thicknesses, 6/8, 7/0, 7/6 and 8/0 heights.

Custom sizes and other species are also available. Contact your dealer for more information.

HIGH DEFINITION SHAKER DOORS | **Primed**

Trimlite's High Definition shaker door combines the sharp edge and clean lines of the traditional stile and rail door with a contemporary twist. True 90 degree angles where the solid MDF panel meets the solid wood stiles and rails give this substantial door an unmatched feeling of quality and durability.
