Entry doors

A new front door will turn heads, improve your exterior and make your home stand out. Choose from our Shaker, Design, Prestige, Classic, or even the Altitude collection, a range of 8-foot doors.

The High Performance door

Energy efficiency also goes through the front door

The front door can be considered the heart of your home. This is why we have taken the design of this steel door to an unmatched level in terms of energy performance. A door that keeps the cold winter air outside, and the precious warm air inside to make your home comfortable all year round.

Look for this badge in the brochure :

Novatech High Performance

- Improved comfort
- Energy efficiency
- Superior durability
- Increased security
- Unrivaled soundproofing

This product meets the standards of the ENERGY STAR® program in all configurations.

Vertical accent

Aluminium

Decorative accent for doors with vertical windows. Available with an Alunox or black finish, the accent is applied over a contemporary aluminum/PVC hybrid doorglass frame of the same color. This combination ensures a perfect seal and finish. Installed with automotive grade tape (included) for added durability.

Pairs with color-matched contemporary aluminum/PVC hybrid frame and doorglass kits. Edge, Oso, sandblasted finish, clear or Solstice **NEW** doorglass available.

Solstice

Tinted glass — Contemporary

Solstice is the ultimate doorglass for a contemporary entry. By day, its reflective surface ensures privacy, while at night, it becomes more transparent. The black-tinted glass creates a striking contrast on light doors and seamlessly disappears on dark ones, offering a sleek, minimalist aesthetic.

Grilles

Grilles are a great way to match your entrance to the rest of the windows on your classic style home. For a modern, contemporary look, consider configurations with fewer dividers, such as our Classic or Country-style grilles. Best of all, our grilles are installed between the glass, making them maintenance-free and eliminating the need for cleaning.
